55 igor dmi ijev re 200th anniv of p. is treaty granting

independence to u. s. colonies. (rpt engna 032200) (enginter 1300 1600 2000)

56 soviet press on soviet-american relations: pravda paid most attention to lebanon, noting worsening situation; krasnaya zvezda and other papers report launching of challenge, which included a black astronaut, noting u. s. plans for military use of space; novoye vremya reports sale of pipeline equipment being allowed by reagan to ussr; moscow news article on visit to ussr of president of indistinct cmtee from vancouver (alan cole). (engna 2200)

57 "way we see it": despite reagan admin's attempts to justify its econ policies there is growing feeling in usa that reaganomics has exacerbated social-econ antagonisms. unemployment is still most serious problem. komsomolskaya pravda comments that reagan pledged to solve unemployment problem. admin said that milit programs created many jobs but actually investment in armaments creates far fewer jobs than public spending in other areas. years of reagan admin have shown that arms race and unemplment are two sides of one coin. (3 min: enginter 2045)

58 moscow viewpoint: valentin zorin refers to recent mtg with american journalist who asked zorin if it was true that sov ldrs thought reagan admin impossible to get along with and therefore had decided to freeze soviet-american relations until next year's elections; zorin finds this assertion pointless, though admits it is extremely difficult to maintain normal contacts with present admin in washington, explains there can be no relations btwn two nations when one of them doesn't consider it necessary to honor its obligations to other side pointing out that no other admin for years has been so rossly lacking in serious approach to u. s. intl commitments as reagan admin. (engna 032300)

59 dr ivan (krasnov, historian, on lenin's ltr to american workers. attempts to strangle socialism failed even when ussr was only socialist state in world. to think that such attempts could be successful now is naive. (5 min: engna 032300)
